A stylized illustration of a mountain landscape. The mountains are rendered in shades of green and blue with white outlines, giving them a jagged, crystalline appearance. A winding road leads from the bottom left towards a small, simple building with a brown roof and three small windows. A person is walking along the road towards the building. The sky is a light blue gradient. In the bottom left corner, there are stylized green bushes or clouds. The text 'save time' is written in a large, white, lowercase sans-serif font, and 'and brain' is written below it in a smaller, white, lowercase sans-serif font.

ossification

A stylized illustration of a mountain landscape. The mountains are rendered in a geometric, low-poly style with various shades of green and blue. A winding road leads from the bottom left towards a small, simple building nestled in a valley. A large, blue, dragon-like creature with a long, flowing mane is perched on a rocky outcrop on the right side of the image. The sky is a gradient of light blue and white. The overall aesthetic is modern and artistic.
